Professional Graduate Programme in Management is recognized by City of Oxford College, Oxford.

Post Graduate Programme in Management is Jointly offered by UGC-HRDC, Kumaun University, Nainital.
INTRODUCTION

IIMT Studies was established in June 2009 with its first office in Surat.

Today IIMT Studies is having its presence in 43 plus countries with a student’s base of more than 13847 students globally and branches in Ahmedabad, Surat & Dubai. IIMT Studies is part of BIGER – Burly Institute of Global Education & Research Pvt. Ltd. - a company registered under The Company Law, in India.

IIMT Studies is supported by the Advisory Board comprising of the senior most professionals of corporates globally.

IIMT Studies is an autonomous institute. IIMT Studies is an institute for e-learning, Government recognised Certification programmes and regular courses, offering industry oriented curriculum, designed by senior top corporate professionals.

IIMT Studies is working as an academy industry interface and has won some very renowned national awards for the same.

IIMT Studies is one of the approved institutes as per Gujarat Knowledge Consortium – State Government of Gujarat and has been associated with Employment & Training Department of Gujarat Government.

IIMT Studies has been honoured to be a partner with this department under PPP model and has been assigned responsibility to upgrade State government run Industrial Training Institute at Vadagam, Gujarat.

IIMT Studies has its students in supervisory, executive, managerial and senior positions in some of the most renowned private organisations like Reliance Industries Ltd, Arvind Mills Ltd., Gujarat Borosil Ltd., Aarti Industries Ltd, L & T, Al-shirawi, Vodafone, Siemens, Airtel, AL Jaber, Mac-durmentan, HEISCO, Alutech, Jumbo Electronics etc and also in public sector Companies like ONGC, GAIL, China Petroleum, Du Mobile, Qatar Airways, Dubai Electricity and Water Authority (DEWA) etc.

As our courses are for working Professionals, we conduct non AICTE Certification programs, affiliated jointly with recognised bodies like CCESD, The Institution of Engineers- GSC and City of Oxford College, Government ITI Vadagam (Dhansura), so that:

- Working professionals do not have to go on sabbatical leave to upgrade their qualifications.
- They have updated course curriculum as per recent technological and industrial/corporate trends.
- They have the flexibility to study through online lectures and examinations based on their convenience.

40% of the students of IIMT Studies are from 43 plus countries like UAE, Africa, Canada, Australia, Indonesia, Australia, Ghana, Europe etc.
IIMT Studies is affiliated with City Of Oxford College, Oxford - UK and the only Indian institute recognised by European Association of Distance Learning.

IIMT Studies has partnered with Government of Gujarat under PPP model to upgrade and improve Industrial Training Institute, Vadagam & also has been Knowledge Partner with Government Polytechnic, Ahmedabad.

IIMT Studies is also affiliated with professionals forums like Institution of Engineers, Gujarat State Centre, Bharuch District Management Association, HR Milestone, Ahmedabad, Indian.

Society For training & development, Vadodara Chapter, HR Forum UAE to promote education & knowledge amongst working professionals.

Joint certification programmes UGC – HRDC KUMAUN UNIVERSITY, NAINITAL, together will offer Management and Technical Certification Programmes, executed by IIMT Studies.

IIMT Studies has won following national awards in the last two years for it's quality education thru e learning & blended learning methods.

ABP News – Indian Education Congress Award for the Best Distance Learning Institute.

ABP News – Indian Education Congress Award for the best Industry Academic Interface.

The expert counsellors of IIMT STUDIES, during their counselling session in Qatar on 2nd February 2019. Students received their admission kit on the occasion of their admissions in various branches of the certificate programmes. Qatar has been the country after the United Arab Emirates, acclaiming Higher Education courses, the most.

The Expert Counsellors of IIMT Studies made a visit to UAE and witnessed an Overwhelming Response of the Industry Professionals from Jabel Ali, Abu Dhabi, Sharjah, Al ain, Ras al khaimah and other industrial areas, for Higher Education Courses. With all gratitude, Existing Students were made available with their Passing Certificates and With Full Enthusiasm Counsellors Undertook the Counselling Sessions of Fresh Students.
While our Nation is celebrating our 70th Republic Day, Team IIMT Studies Ltd UK decided to celebrate it with a very premier and prestigious educational institution of Ahmedabad, The Government Polytechnical College. Here are some pictures describing the ambience, spirit, energy and enthusiasm of the campus. IIMT Studies Ltd UK did a humble gesture of recognizing Prof P M Patel’s contribution to education with A Letter of Appreciation and gifting Badges with Logo of Government Polytechnic amongst all students and academic team, on this very special day. The Flag Hoisting ceremony in the Tri coloured campus with NCC Cadets' parade was a treat to every ones eyes. Vande Mataram!
Mr Manoj R Thakkar, Institution head – IIMT Studies, met H.H. Sheikh Khaled Humaid S. AlQassimi, Member of Ruling Family, Sharjah at Sharjah Rolla on 23rd October, 2018. He appreciated his simplicity and great vision for the country at such younger age. H.H. Sheikh Khaled discussed the opportunities of Education sector in UAE which will benefit to over 200 Nationalities in UAE.

Day- 1 @ L&T Stec, Mumbai : Today, IIMT Studies added one more crown to its glory. L&T Stec, a joint venture of L&T with a Chinese MNC company, got added to our prestigious list of clients. Today, in Mumbai, IIMT Studies conducted a training session for a cross functional team of young bright managers of L&T Stec. A batch of 27 young budding high performing managers attended the session by IIMT’s Dr. Atul Pandya. The feedback on the first program of the 3-program series has been excellent. Mr. Chee Chiak Yang, Associate Director of L&T Stec, attended the certification ceremony and expressed his happiness on the quality of program and feedback received from participants. Ms. Babita, the HR Manager of L&T Stec, who was the host of the program, also appreciated the impact created by the program on the very first day. With this, IIMT Studies is now being considered by L&T Stec, for a new long association, as People Development Partner.

COOC SIGNS AFFILIATION PAPERS WITH IIMT STUDIES FOR DIPLOMA AND PROF. GRADUATE PROGRAMME

31st July, 2018

IIMT Studies become the 1st Institute in India who got affiliated with City of Oxford College, Oxford(UK) for running Training Diploma Programme & Professional Graduate Programme of Management & Technical Streams. Affiliation of Partnership was signed by Mr. Francis Lawson, Director, International Partnerships, City of Oxford College, Oxford(UK) & Mr. Manoj R Thakkar, Institution Head of IIMT Studies in the presence of Dr. Atul Pandya, President HR & SA & Mr. Dharmendra Thakkar, Director, Burly institute of Global Education & Research Pvt. Ltd. at Skill Development Centre, IIMT Studies, Ahmedabad.
IIMT Studies has been a very privileged institute so far. So far, this 4th ranked e-learning institute of India has been chosen to be a partner for Skill Enhancement & Competency Building Initiatives by UGC HRDC, Kumaun University Nainital, (Government ITI Vadagam) Directorate Of Employment & Training, State Government of Gujarat, CCESD, The Institution of Engineers, GSC, and today, India’s largest Association of Industries, The Confederation Of Indian Industry’s, CII Institute of Logistics has chosen IIMT Studies as it’s partner to drive and conduct, short term and long term Joint Certification Programs in Supply Chain Management & Logistics. Today on 17.05.2018, Mr Manoj R Thakkar, Founding Director of IIMT Studies and Dr. K Bhanumathi, COO of CII Institute Of Logistics, Chennai, have signed the documents for this association for the next 5 years, at IIMT Studies Corporate Office at Ahmedabad.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, India's premier business association has around 9,000 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from around 265 national and regional sectoral industry bodies. IIMT Studies has been the 4th ranked, award winning e-learning institute with 14000 plus students in 40 plus countries, offering 55 plus engineering, management & health safety & environment courses. IIMT Studies have won ABP News Awards, ASSOCHAM Awards and Indian Education Congress Awards for it’s industry oriented courses, designed by the top notch Corporate Professionals, for working professionals. In the last two years and today because of the same reason, IIMT Studies has been rewarded with this association with CII Chennai.

With this association, many doors of opportunities for corporates and working professionals are open. This recognition to IIMT Studies will also benefit the students of IIMT Studies, as now the SCM & Logistics courses are recognised and approved by India’s highest association of Industries for CII Approved courses.

For IIMT Studies, this is yet another milestone achieved however it will continue it's journey further to develop skills competencies of professionals globally to help them in their career progression.
